Holloween themed October Meeting

Jacqui & Rick Scolaro provided the center piece for our Holloween theme pot luck dinner meeting

Thanksgiving themed Meeting

This was the third year that we had a Thanksgiving themed turkey dinner for our November meeting. Thanks you to Pat Summers and Mary Fread for treating us to a delicious meal.
Holiday Celebration of Life Dinner
December 20, 2016

Nancy Hinkel opened the meeting with the following prayer:

Our Heavenly Father
Thank you for letting us transplant people find each other. Transplant; a very serious event and nothing that anyone would choose, but a blessing just the same.
Some have had one transplant, others 2 or 3, but all have had the same effect – Life! Wha a blessing.
We understand each other, the trials and hope of waiting, only to be told that this one is not for you.
We thank you God for supporting us and blessing us when we are in need and providing our TRIO friends.
In Jesus’ name Amen

Steve and Joni Logston shared the life story of their daughter Chelsea with us. They met when Steve, a
musician played at a fund raiser for two little girls who were waiting for liver transplants. Chelsea’s first transplant was a living donor transplant from her mommy when she was 7. Defying medical wisdom, it lasted for twice the expected 7 year life until Chelsea was 21 and a second transplant was not successful.

You can share Chelsea’s transplant journey in the book written by Steve. We thank Steve and Joni for sharing Chelsea’s life with us.

We were blessed to have members and their families share their holiday with us.
We thank Mary Fread for being our link with Akron Canton TRIO past and future.

Our holiday program concluded with five members adding ornaments to our holiday tree remembering their donors, their lives since they received their organs and finally our friends who had received the transplant gift of life and had passed.

Please keep the following members in your thoughts & prayers. Mary Fread, Isabelle Gordon, Rosie Price and Robin Pelton.
About TRIO (Transplant Recipients International Organization)

Website: www.trioweb.org

TRIO’s MISSION

TRIO is a non-profit organization improving the quality of lives touched by the miracle of transplantation through support, advocacy, education and awareness.

Support

We provide support to transplant candidates, recipients and their families, donors and donor families to help alleviate the stresses and problems associated with the process.

Advocacy

We make the concerns and needs that affect the welfare of transplant candidates, recipients, and donor families known to federal government bodies. We also effectively communicate the views of transplant candidates, recipients and their families, donors and donor families to the general public.

Education

We provide current information (with respect to developments in organ and tissue donation, transplantation, medications, social issues, and finances) to transplant candidates, recipients and their families, donors and donor families about initiatives and protocols in the field of transplantation.

Awareness

We promote organ and tissue donation as an important social responsibility. We develop and support mechanisms to improve the availability of organs and tissues on an equitable basis to meet the need of transplant candidates.
